Make your life easier.

Use the Election Assistant™ to:

- Decrease call volume by at least 50% on Election Day
- Reduce the number of provisional ballots by directing voters to the proper polling place

The Election Assistant™ Conversion Process

Election Assistant™ Copyright 2007. All rights Reserved. Patent Pending

- Eliminate voter confusion caused by polling place consolidation and relocation
- Shorten lines at the polling place by directing unlisted voters to the Election Assistant™ for countywide voter eligibility verification
- Make your poll judges happy by providing simple, stress-free technology to direct people to the correct polling place in a timely manner
- Make your voters happy by allowing them the ability to enter any polling place to find out if they are registered to vote and where to vote
- Cut costs by reducing the need for call centers and countywide lists
